- Presentations by exhibitors
- Decision makers from the industry and visitors from all over the world
- Numerous opportunities for exchanging ideas and experience and networking

Go on a voyage of discovery through the industry! We look forward to seeing you at the tcworld conference in Stuttgart.

Highlights at tekom fair 2022:

- Services
- Consulting
- Editing software
- Translation and localization software
- Visualization software
- Management software
- Technical standards
- Businesses and institutions (publishers, printers, associations)

tekom fair for
Technical Communication
November 8–10, 2022
ICS Stuttgart

ICS Stuttgart
More room.
More opportunities.
More contacts.

The Heart of the Market – Event Location: ICS Stuttgart

The tekom fair welcomes its visitors to the Stuttgart region! The venue, ICS (International Congress Center Stuttgart) at Messe Stuttgart, has become one of the most advanced and sought-after conference centers in Europe since its opening in fall 2007.

ICS offers numerous advantages guaranteeing visitors smooth travel and a pleasant stay:

- Close proximity to Stuttgart International Airport
- Direct highway access (A8)
- An architectural high point built on the modern hall concept

Presentations in the tekom Business Center

Learn a lot about technical innovations with our exhibitor presentations. As exhibitors, we are pleased to present our products to you.

Get to know the software tools and applications for TD. Learn about user-focused problem solving and product-defining processes. This will give you the opportunity to compare the different tools.

Bring Your Knowledge Up to Date

Are you ready to go on a tour of discovery?

- Find out which technical innovations can change the way you work in the future.
- Keep yourself current and get new ideas and inspiration.
- Learn first-hand about the new trends and developments of globally operating manufacturers.
