

## Redeeming the Registration Code

1. Go to the conference page and log in to "my conference tool" or create a user account.
2. After you have logged in, go to "Tickets" on the main menu and select "Redeem registration codes".

3. Next, enter your code into the marked field. Please delete any spaces before redeeming the code. Then, agree to the terms and conditions and privacy policy to redeem it.

4. After approximately two minutes, you will receive your ticket via email or you can download it at any time from the conference tool.
